

**§ 882.512 Reduction of number of units covered by contract.**

(a) *Limitation on leasing to ineligible Families.* Owners must lease all assisted units under Contract to Eligible Families. Leasing of vacant, assisted units to ineligible tenants is a violation of the Contract and grounds for all available legal remedies, including suspension or debarment from HUD programs and reduction of the number of units under the Contract, as set forth in paragraph (b) of this section. Once the PHA has determined that a violation exists, the PHA must notify HUD of its determination and the suggested remedies. At the direction of HUD, the PHA must take the appropriate action.

(b) *Reduction for failure to lease to Eligible Families.* If, at any time beginning six months after the effective date of the Contract, the Owner fails for a period of six continuous months to have at least 90 percent of the assisted units leased or available for leasing by Eligible Families (because families initially eligible have become ineligible), the PHA may, on at least 30 days' notice, reduce the number of units covered by the Contract. The PHA may reduce the number of units to the number of units actually leased or available for leasing by Eligible Families plus 10 percent (rounded up). If the Owner has only one unit under Contract and if one year has elapsed since the date of the last housing assistance payment, the Contract may be terminated with the consent of the Owner.

(c) *Restoration.* The PHA will agree to an amendment of the Contract, to provide for subsequent restoration of any reduction made pursuant to paragraph (b) if:

(1) The PHA determines that the restoration is justified by demand,

(2) The Owner otherwise has a record of compliance with obligations under the Contract, and

(3) Contract authority is available.

**§ 882.513 Public notice to low-income families; waiting list.**

(a) *Public notice to low-income Families.* (1) If the PHA does not have a waiting list which is sufficient to provide applicants for the units under the Moderate Rehabilitation Program, the PHA must, promptly after receiving

the executed ACC, make known to the public the availability of the Program.

(i) The notice must state that assistance under this Program will be available only in specified units which have been rehabilitated under the Program.

(ii) The notice must be made in accordance with the PHA's HUD-approved application and with the HUD guidelines for fair housing requiring the use of the equal housing opportunity logotype, statement and slogan.

(b) *Waiting list.* The PHA must maintain a waiting list for applicants for the Moderate Rehabilitation Program. This requirement may be met through the use of waiting lists for other subsidized housing programs such as the Existing Housing Program.

**§ 882.514 Family participation.**

(a) *Initial determination of family eligibility.* (1) The PHA is responsible for receipt and review of applications, and determination of family eligibility for participation in accordance with HUD regulations (see parts 812 and 813 of this chapter, and 24 CFR parts 5, 750 and 760). The PHA is responsible for verifying the sources and amount of the family's income and other information necessary for determining income eligibility and the amount of the assistance payments.

(2) A PHA may determine that an applicant Family is ineligible for participation because one or more Family members have engaged in drug-related criminal activity or violent criminal activity, as defined in § 882.413(b).

(3) PHA records on applicants and Families selected to participate must be maintained so as to provide HUD with racial, gender, and ethnic data.

(b) *Selection of Families for participation.* When vacancies occur, the PHA will refer to the Owner one or more appropriate size Families on its waiting list. The PHA must select Families for participation in accordance with the provisions of the Program and in accordance with the PHA's application, including any PHA requirement or preferences as approved by HUD. The PHA must select Families eligible for housing assistance payments currently residing in units that are designated for rehabilitation under the Program without requiring that these Families
